MPPA, AMA Club of the month!

PRESIDENT'S CORNER JANUARY 2003

It's official; our club is the AMA Club of the month for District V.

Every month, Jim McNeill chooses one club from his district, which has shown itself to be extraordinary in nature. The basis of this award depends on club activities such as events, of which we had several last year including two National events with JR Gold Cup and FAI Team Trials. We also finished the year with one hundred forty members, which shows incredible growth over the last four years. Not only do we have a large membership, but also, participation is at an all time high, evidenced by our move to larger meeting facilities to accommodate the attendance at our meetings. We average over sixty members per meeting, which according to McNeill is the highest attendance in the entire district. We have built a club that we can truly be proud of.

I am also pleased to announce the Pompano Airfare was a huge success. In spite of freezing temperatures and blistering cold winds, we had a huge turnout with more airplanes than we could count. Joe and Carole Whitman brought a trailerload of stuff along with a generator that was used to play tapes from our Jet Rally. He also brought a heater that came in handy. Also, Jack Goldfarb brought his jet for

both days, and thanks goes out to the Norris family, the Klines and Krusceski's, we also had Glenn Whitmore, Dan and Mary Ann Smith and Bob Zitron. Special thanks to Terry Bingham for organizing the event.

The big announcement for the month, which held up the newsletter because I wanted to make it official, is we have a new field. The people at Waste Management in Pompano are building us a runway at the top of the landfill, at Powerline and Sample Road. It seems they have a bird problem up there, and they want us to fly as much as we can and make as much noise as we can, to chase the

birds away. The field will be open Monday through Saturday from 8AM to 6:30PM and we will be putting in a pylon course for practicing racing. They may also let us run races there, and open the field for Sunday as well. We also have an agreement with Homestead Speedway, to use their facility for races as well. Thanks goes to George McVay for making that happen. Don't forget this weekend is MPPA Day, at the field, and 2003 dues are due this month. See you at the field.

Your President
Jim Perdue
